Dear Customer,

Thank you for choosing **Tessera Tower+!**

We're excited to welcome you to the **Tessera4x4 accessories** family and thank you for trusting us with your 4x4 setup. The **Tessera Tower+** is more than just a rack system — it's a **telescopic, adjustable, and modular solution** designed to handle your toughest adventures with style and functionality.

Get Started with Your **Tessera Tower+**

If you haven't started using it yet, here are a few important things to know:

- **Telescopic and Adjustable –** Modify both height and length to match your load and needs.
- **Modular System** – Customize your setup with optional side Molle panels and an extra crossbar, available as extras for even more mounting and storage possibilities.
- **Global First in Modularity** – **The Tessera Tower+** is the first telescopic rack system globally designed to support optional side panels and an extra bar, offering unmatched versatility and design.
- **Heavy-Duty Engineering** – Crafted from high-quality materials for superior strength and endurance.
- **Universal Application** – Designed to fit a wide range of European and US pickup truck models with ease.

Need Help?
We want you to enjoy every moment with your **Tessera Tower+**. If you have any questions or need support, reach us at **info@gianso.gr**. Our team is always here to help!

Stay Connected!

We'd love to see how you're using your **Tessera Tower+**. Don't forget to tag us and share your setup
